

## Hanging Basket Open Afternoon

This is your chance to choose plants from our nursery and spend an enjoyable afternoon creating your own individual hanging basket

The dates for the events are Tuesday, May 7<sup>th</sup> and May 14<sup>th</sup>.  
The afternoon starts at 12:30 with lunch and ends at approx 4:30pm with afternoon tea

The workshop allows you to fill a hanging basket (either brought with you or purchased at the nursery) from our extensive range of pelargoniums, fuschias and other annual basket plants. Whether you are a beginner or an experience plantsperson, the afternoon will give you the chance to create an individual basket with instruction if required.

The event is held at the Arbres et Abeilles nursery, with lunch and afternoon tea served in La Chevrerie Salon de Thé. (Chez Perochon, 86250 Genouillé)

The cost of 20€ includes a light lunch and afternoon tea as well as 5 godet basket plants and compost suitable for a 12" basket. (Empty baskets/liners are available to purchase from as little as 2€). Lunch only is available for 12€. A 10€ deposit is required to secure your place at the event. Please let us know when booking if you have any special dietary requirements.
